

## **RABBIT WASTE MANAGEMENT LTD**

### **Terms and Conditions of hire**

RABBIT WASTE MANAGEMENT ACCEPTS NO LIABILITY FOR DAMAGE CLAIMS ARISING FROM VEHICLES DELIVERING/COLLECTING OFF THE PUBLIC HIGHWAY.

PLEASE NOTE: When delivering or collecting off the public highway, it is possible that damage can occur to your driveway, the road surface or the adjoining property. If you ask us to proceed off the public highway, it must be clearly understood that it is at your request and your responsibility. Rabbit Waste Management cannot be held liable for any bedding down, settling or cracking, pollution, contamination, deposit of dust or debris, rust or oxidation, damage due to change in climatic or atmospheric conditions or changes in water table levels.

SKIPS ON PUBLIC LAND: It is the customer's responsibility to provide lights and cones. Lights to be positioned on the containers and lit during the hours of darkness and cones to divert the flow of traffic. Any call-out by the authorities will be charged.

LOADS: The customer shall not:

1. Move any container from the site or position to which it was delivered.
2. Overload a container. Containers are only to be filled to the capacity. If the driver considers the load unsafe, we will be unable to move the container.
3. Set fire to its contents. Fires are not permitted in the containers and any damage caused by burning will be chargeable.
4. Rabbit Waste Management reserves the right to make additional charges for incorrectly described waste.

DROP DOORS: If your skip is fitted with a drop door ensure the retaining bolts are fully in place when the door is in the closed position.

UNACCEPTABLE WASTE: It is important to note that there are strict rules regarding items that cannot go in our skips. If any prohibited materials or items are placed in our skips, we reserve the right to delay collection until they are removed. This may result in additional charges. Do not put any of the following items in our skips:

- Animal By-Products
- Asbestos
- Batteries
- Clinical Waste – e.g. bags and sharps boxes
- Dusty Wastes – e.g. powders and sawdust
